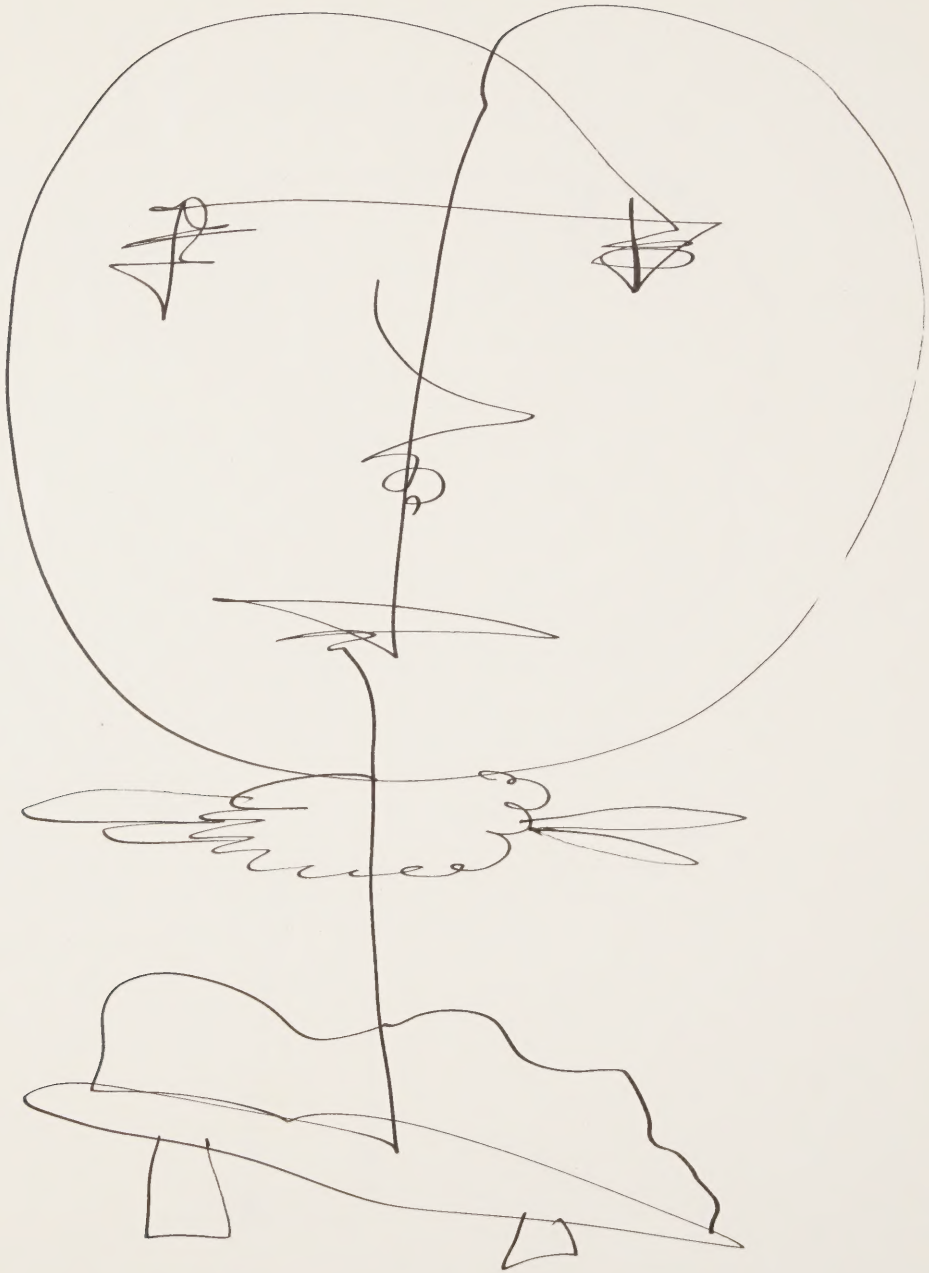
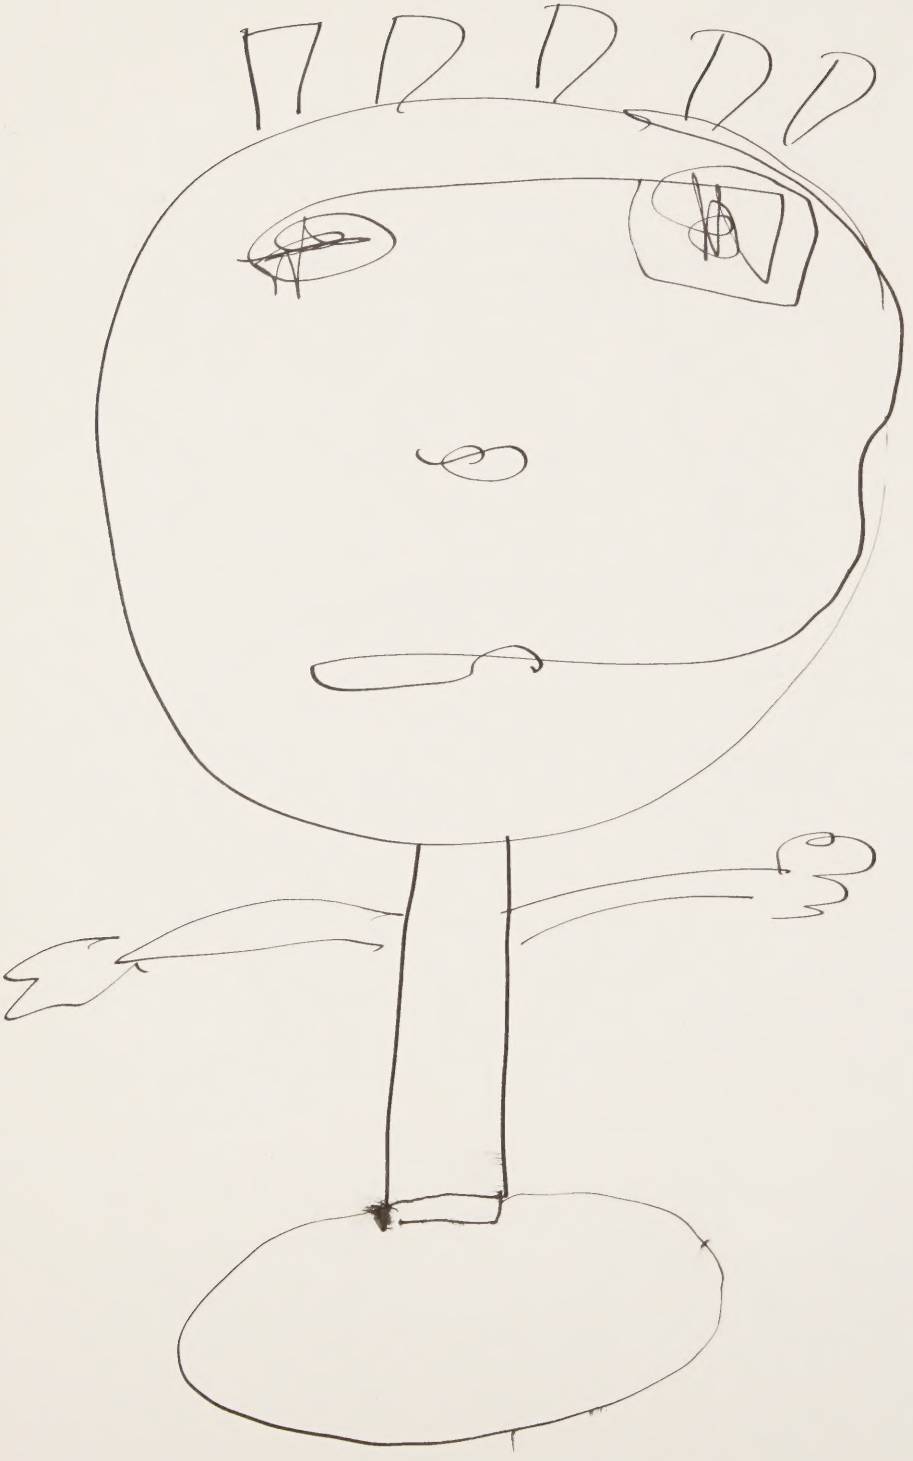
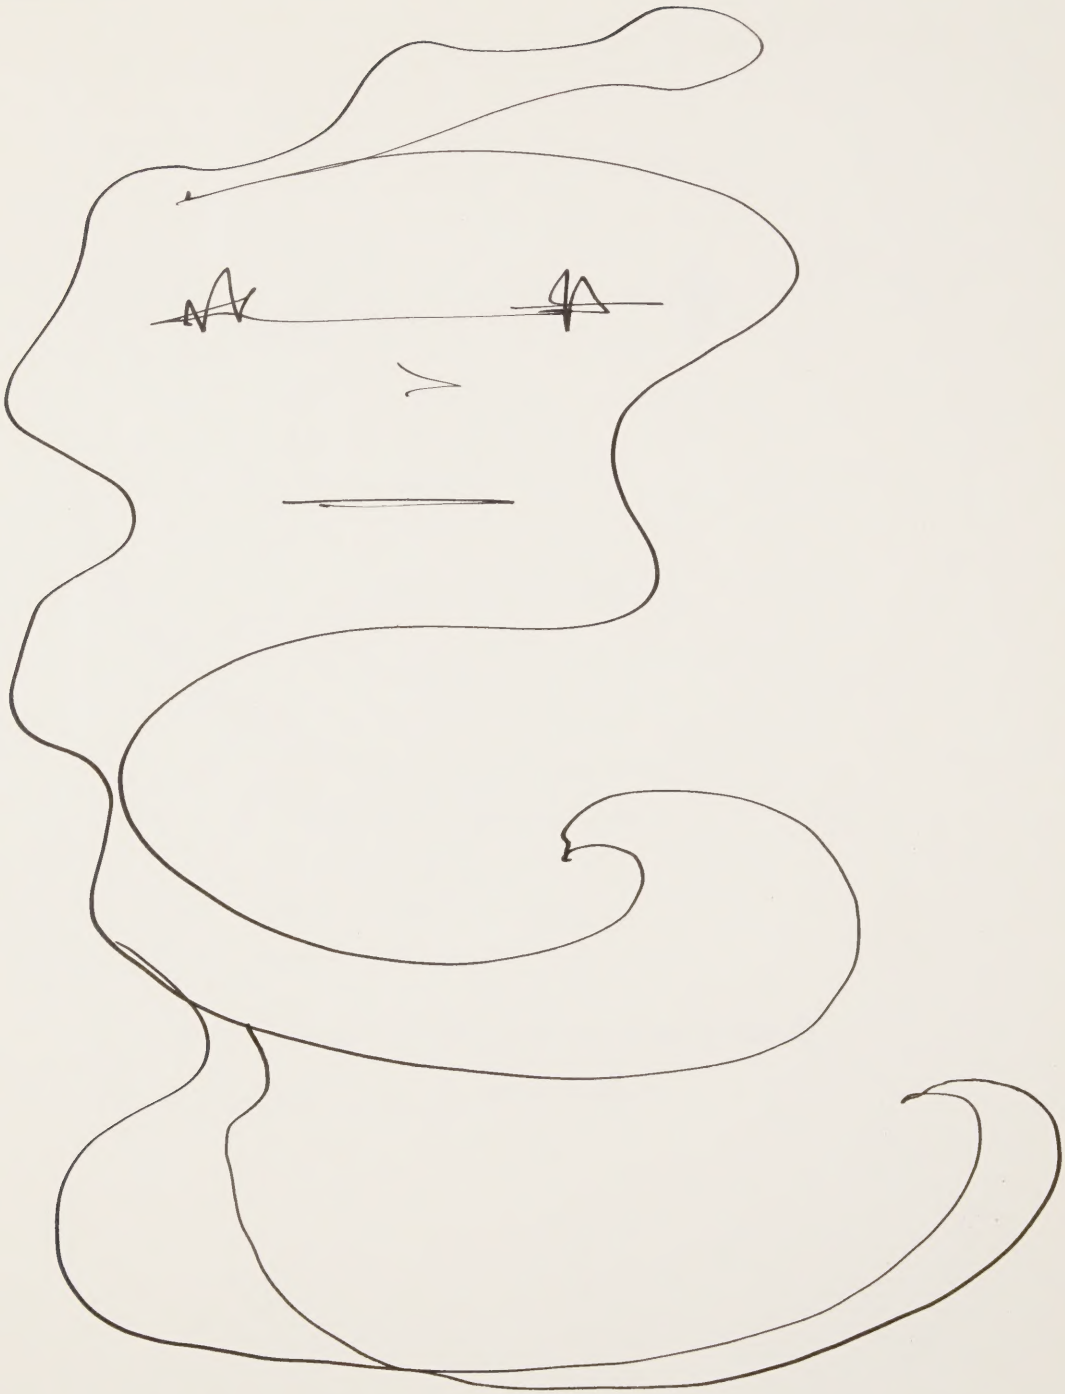
"If I can do you a favor..."

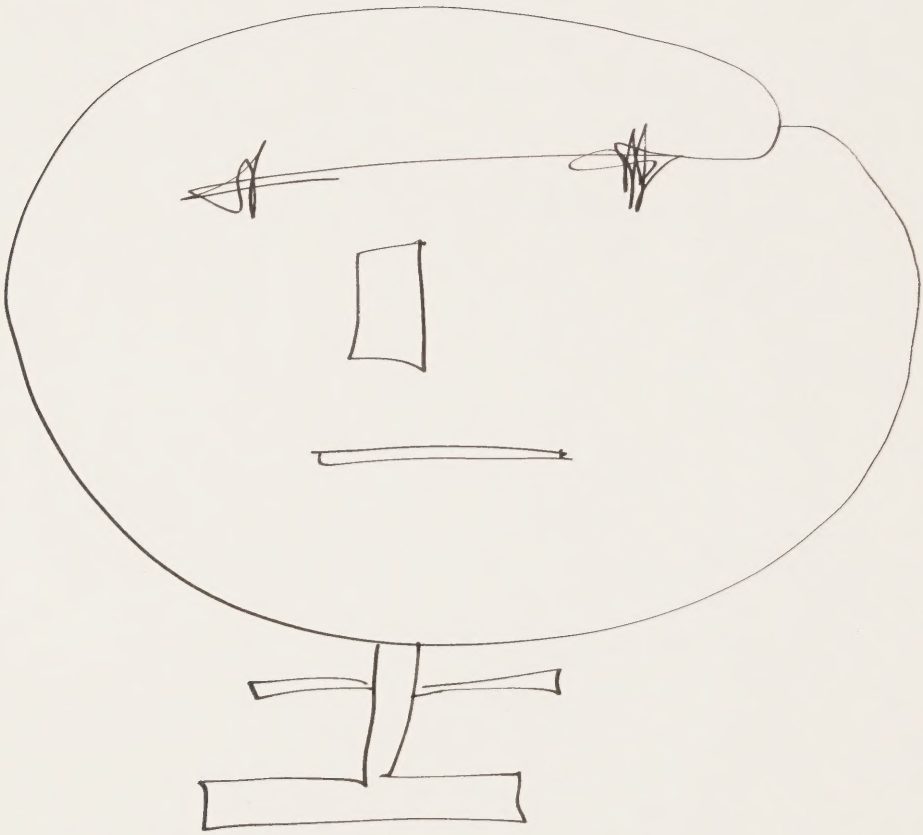
I can't help feeling trapped in my own evolutionary process

I know it's not
fashionable
but it's so much
a part of me...

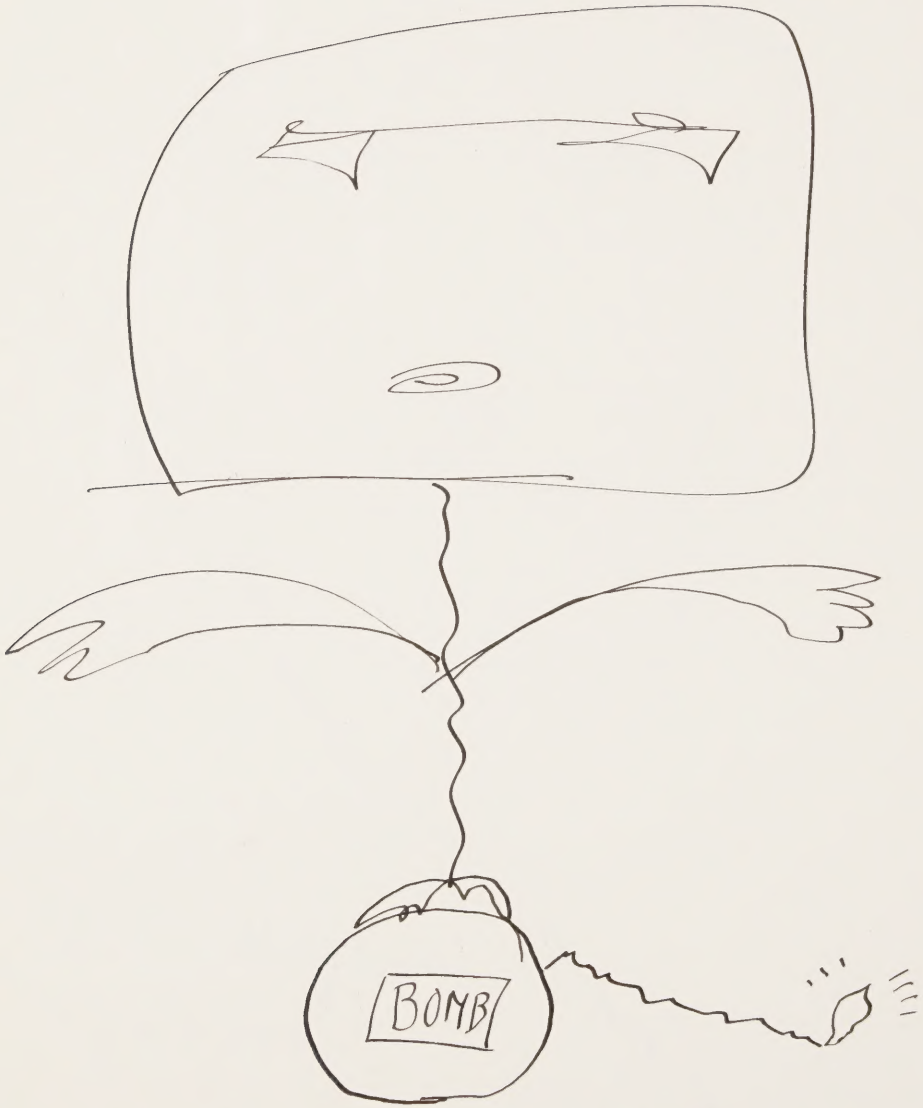




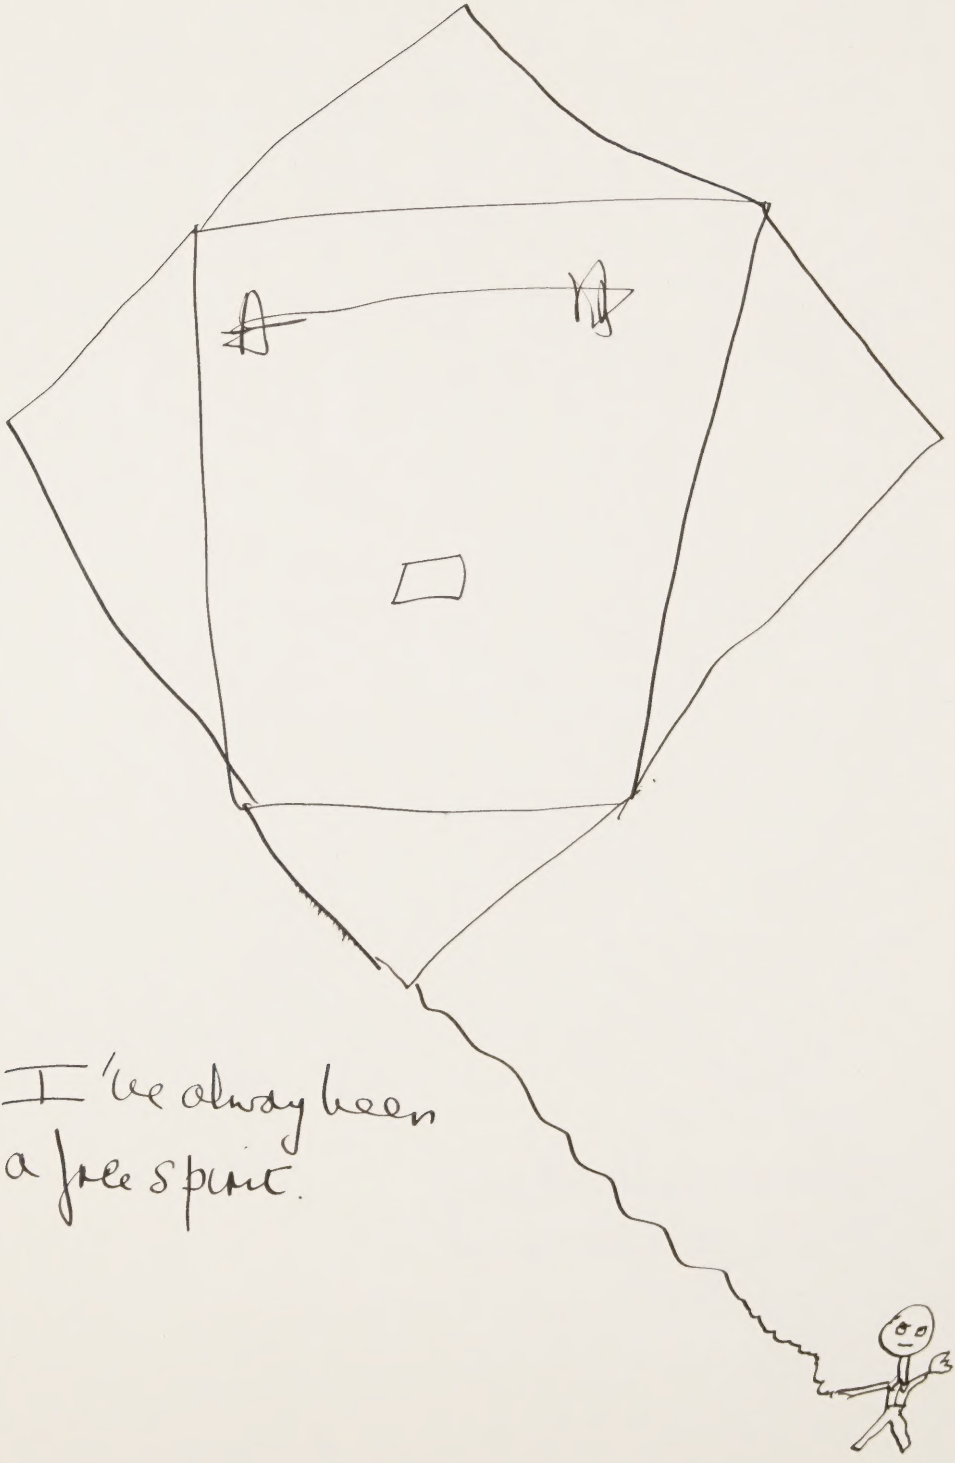




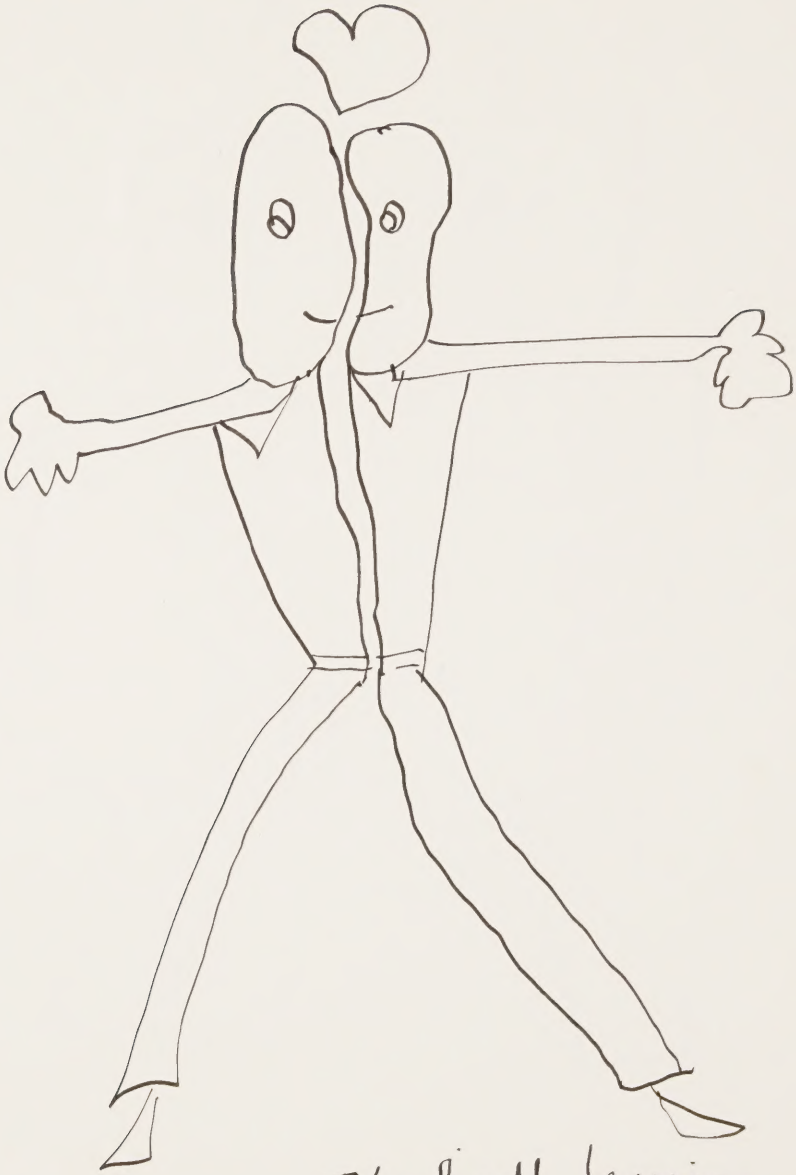
In my case, a certain amount of arrogance is justified.



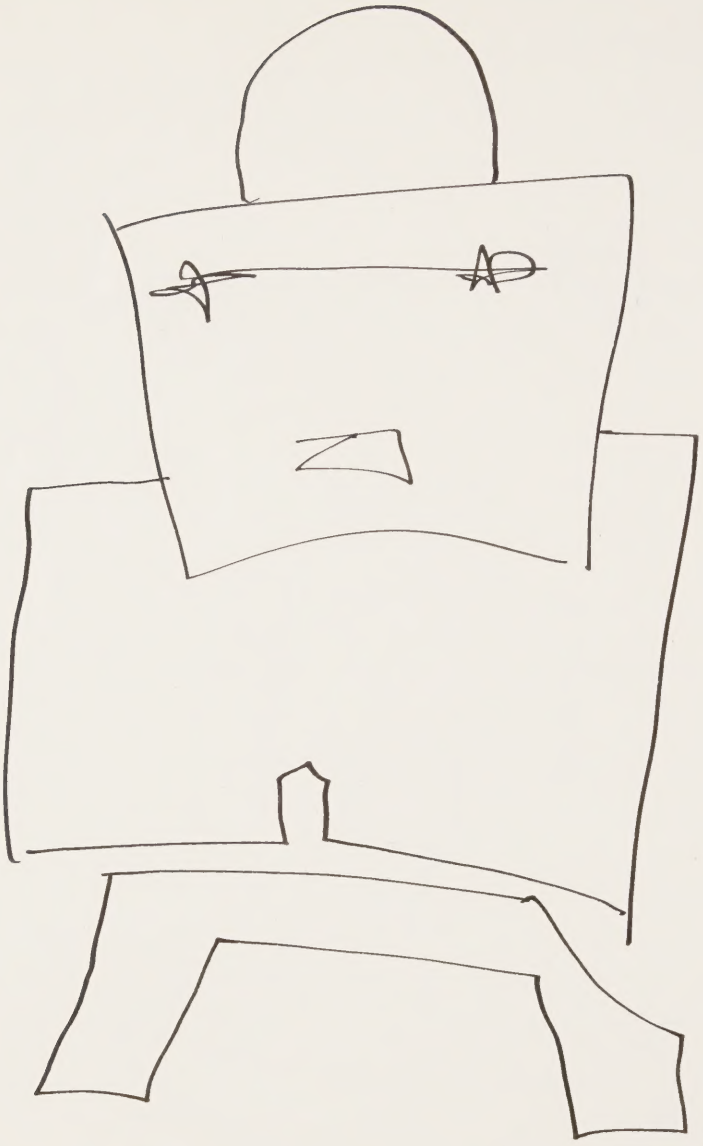
I'm just oblivious of what goes on around me...

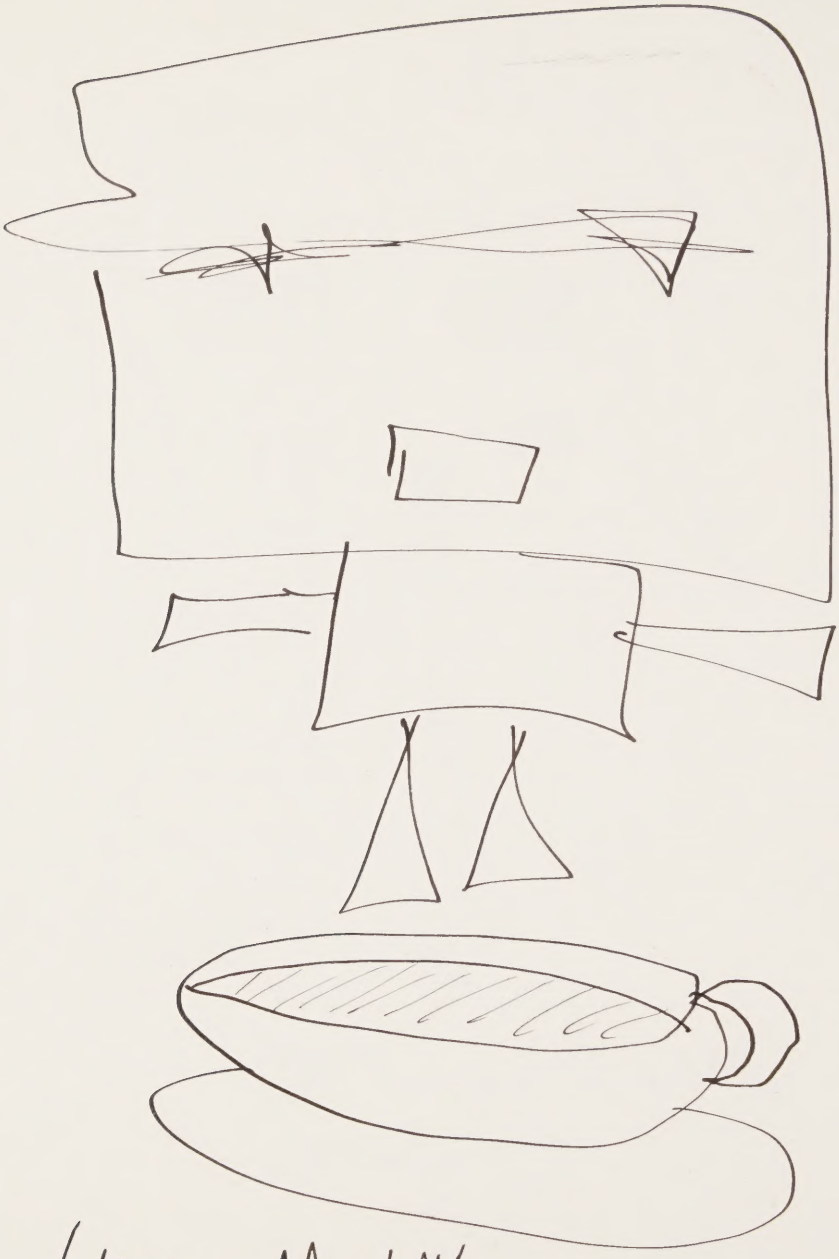


I've always been
a free spirit.

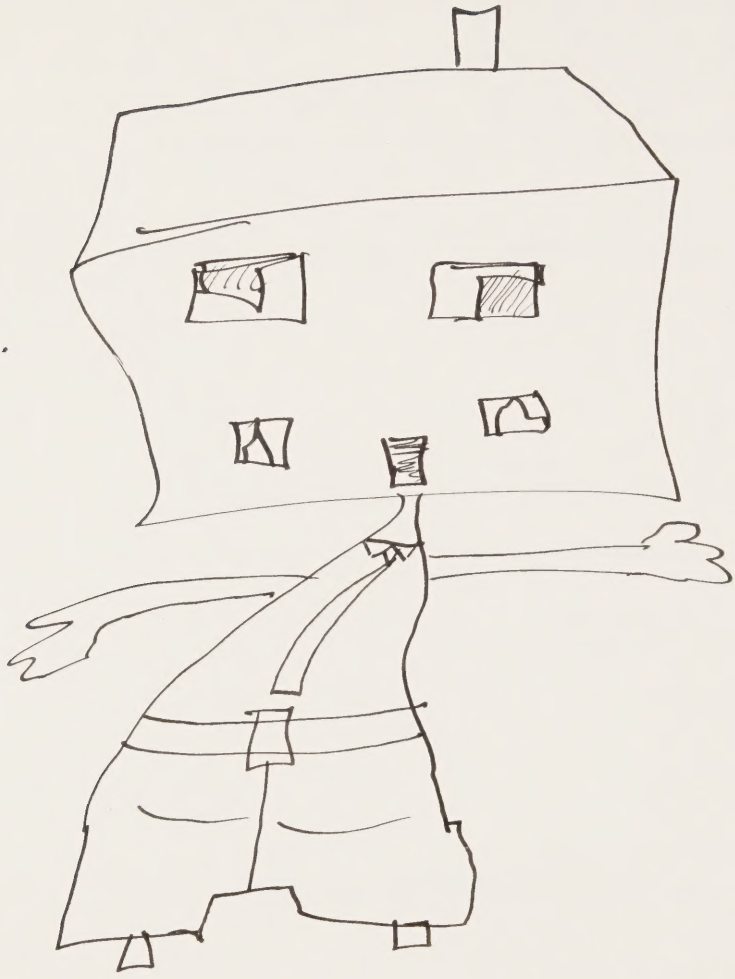


I'm finally learning
to love myself

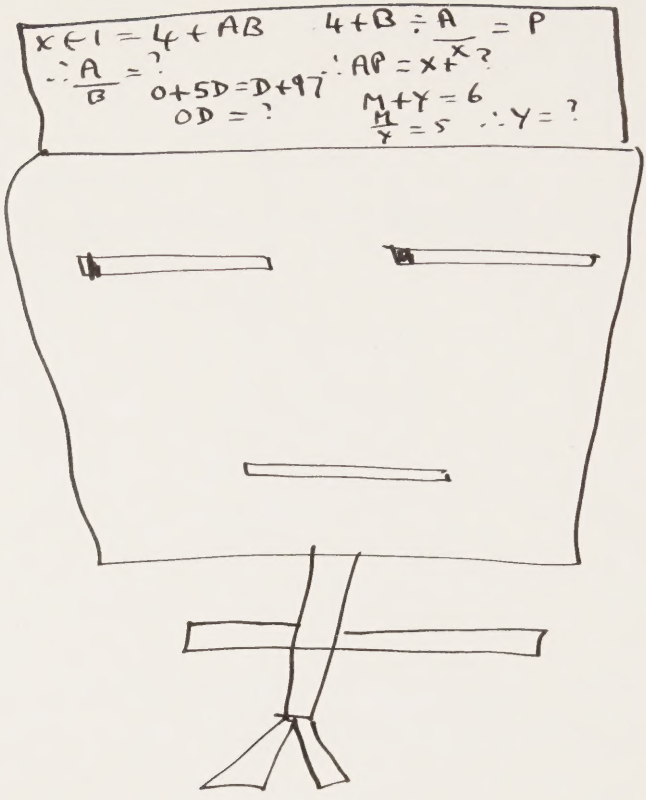




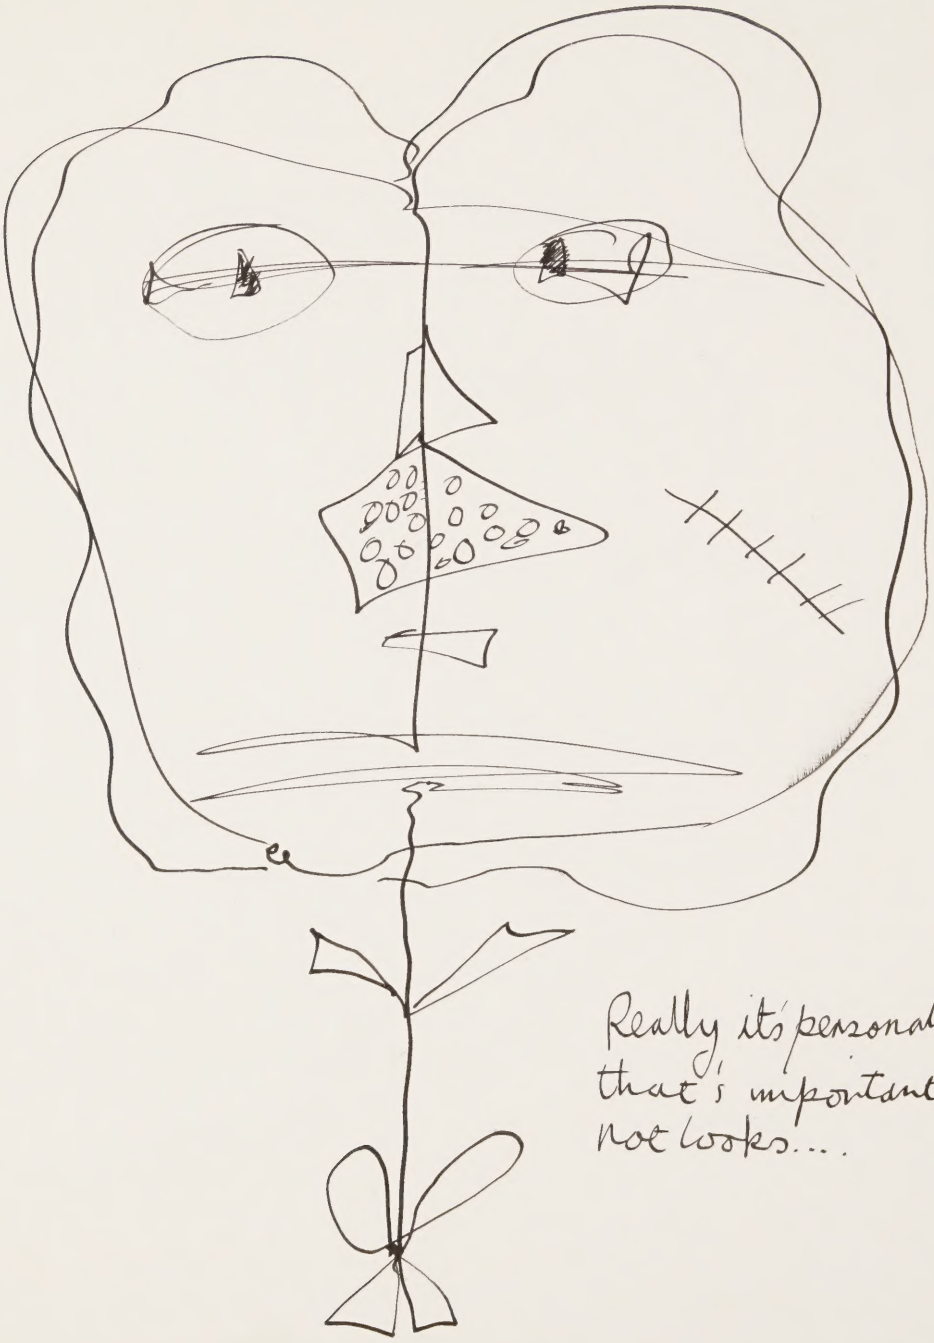
Let me add a little
sweetness to your life



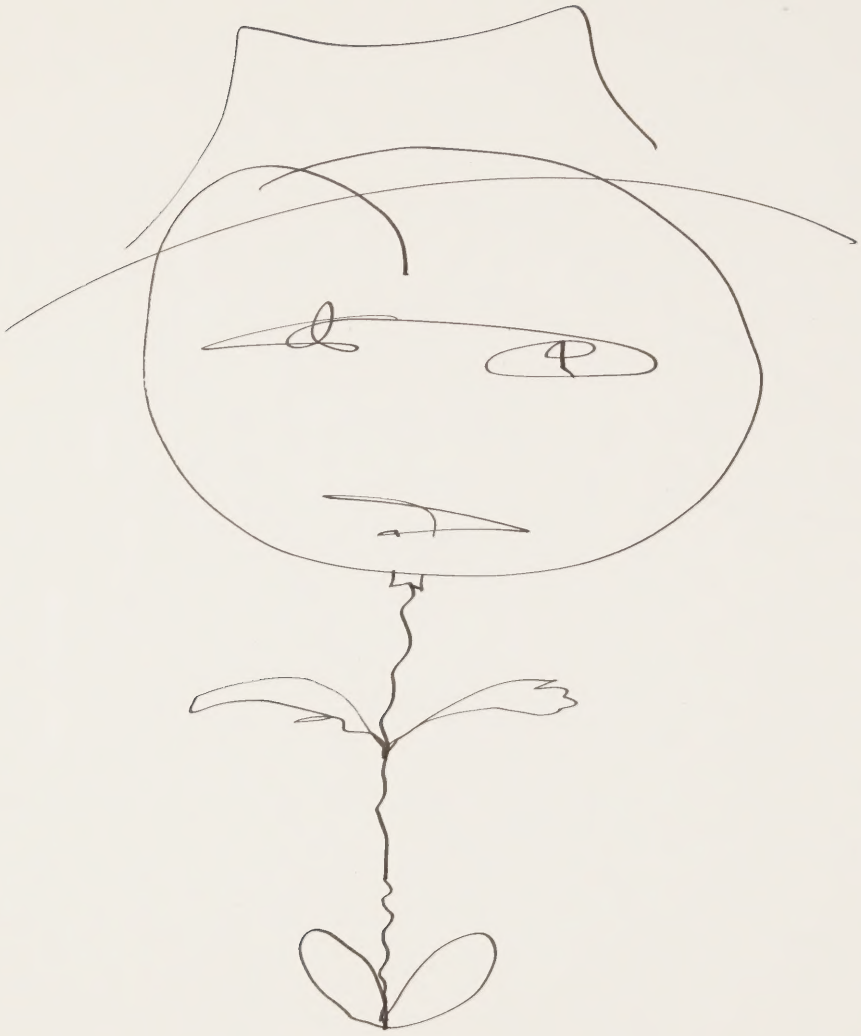
All I want is a little
Security ....

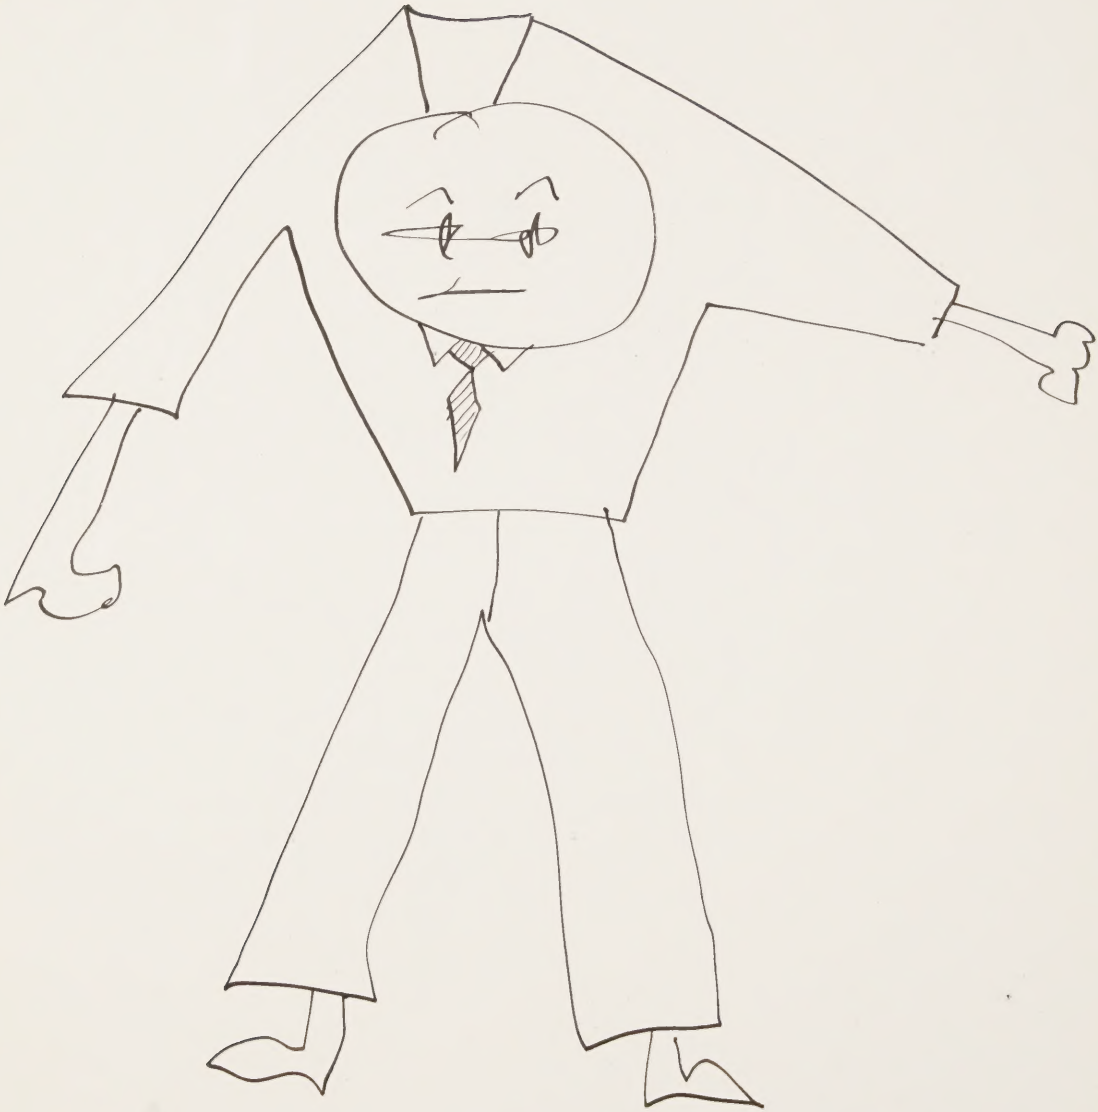


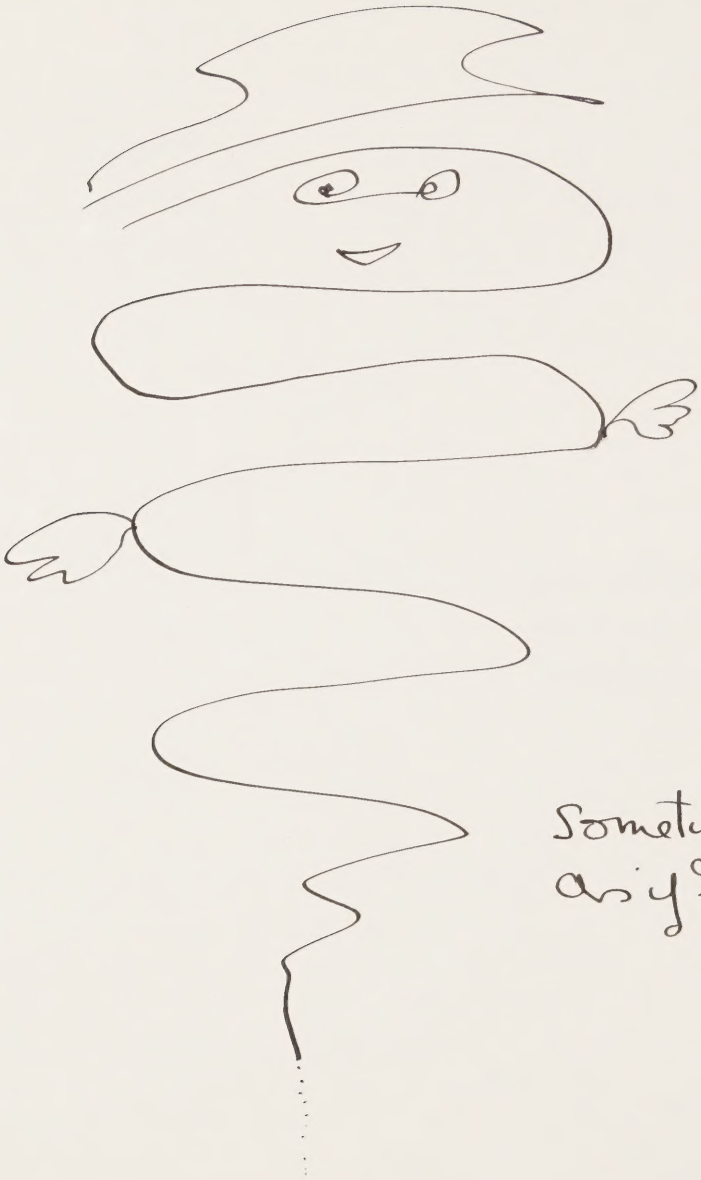
I like to planahead



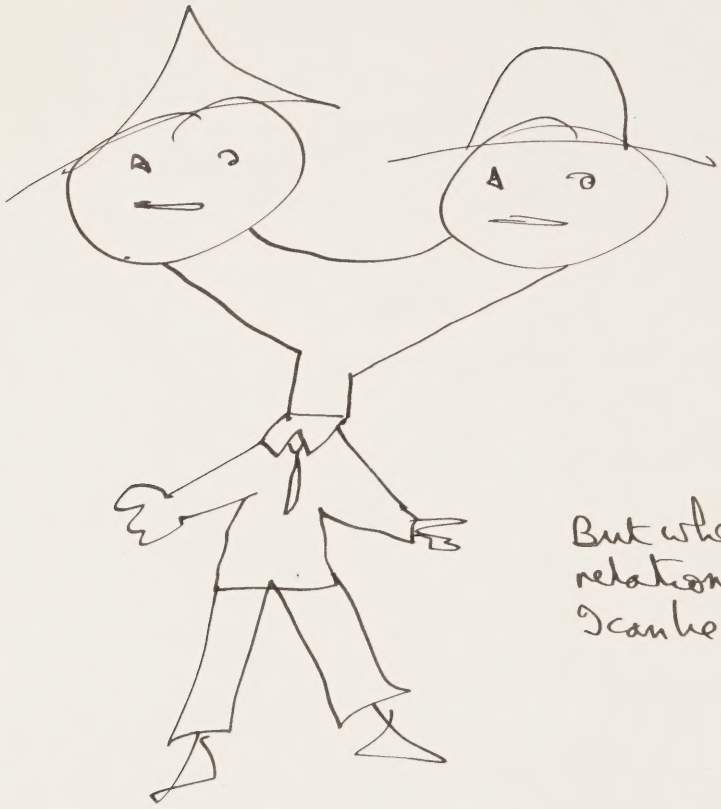
Really it's personality
that's important
not looks....







Sometimes I feel
as if I barely exist



But when it comes to
relationships
I can be hard to deal with....
